I am writing to express my interest in the Examination Officer II (ICT) position at the University of Dodoma, as advertised through the Public Service Recruitment Secretariat.

My background in MySQL database management and software systems makes me a strong candidate for managing academic data and examination results. I am highly skilled at ensuring data integrity, maintaining secure information systems, and providing technical support to streamline administrative workflows. I am dedicated to accuracy and confidentiality, both of which are critical to this role.

I am confident that my technical expertise will contribute significantly to the efficiency of UDOM's examination department.
